Re: Required Submission Of Information  
Chillum PERC Site, Hyattsville, Maryland

Dear Madam:

On April 21, 2003, the U.S. Environmental Protection Agency (EPA) issued you a letter (a copy of which is enclosed) requiring that you provide certain information and/or documents relating to the above-referenced Site pursuant to Section 104(e)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9604(e)(2). The signed certified receipt for the letter indicates delivery was made on April 24, 2003 therefore requiring the receipt of the requested information by May 8, 2003. To date, no information has been provided.

You must provide a separate and complete narrative response to each and every question contained in EPA's April 21, 2003 letter, or justify adequately your failure to respond, within seven (7) calendar days of your receipt of this letter. This seven day period, however, is not to be construed as an extension of the original deadline and does not excuse any violation for failure to respond to the initial letter.

**NOTICE OF POTENTIAL ENFORCEMENT ACTION**

EPA hereby advises you that your failure to respond fully and truthfully to each question, or to justify adequately your failure to respond, may subject you to an enforcement action by EPA pursuant to Section 104(e)(5)(A) of CERCLA, 42 U.S.C. § 9604(e)(5)(A). This section authorizes EPA to issue an order directing compliance with an information request made under the statute "after such notice and opportunity for consultation as is reasonably appropriate under the circumstances." This letter constitutes such notice.

EPA hereby advises you that it may also seek judicial enforcement of its information request. Section 104(e)(5)(B) of CERCLA, 42 U.S.C. § 9604(e)(5)(B), allows EPA to seek judicial enforcement of an information request and authorizes the federal district courts to assess a civil penalty not to exceed \$25,000 for each day of non-compliance.

All documents and information should be submitted to:

Michael Welsh (3HS32)  
Removal Enforcement and Oil Section
